The Tragically Hip, Pretend

if i ask you a question are you going to lie to me? is that your question? because that one is easy

it's gripping the city and hittin the town and no one on earth is doing this now

if you can pretend and i can pretend pretending won't end and then and well then

if you take the chances i'll take the bows saying 'no one on earth is doing this now'

but if i ask you a question are you going to lie to me? is that your question? because that one is easy

if you don't pretend and i don't pretend pretending might end but pretend can pretend to end, that's right

you can't pretend yes i can, yes i can, yes i can you can't pretend yes i can, yes i can, yes i can
