

# The Tragically Hip, Scared

I could make you scared  
if you want me to  
I'm not prepared, but if I have to  
He said, I can make you scared,  
it's kinda what I do  
If you're prepared,  
here's what I propose to do  
You're in Russia  
and a more than a million works of art  
are whisked out to the woods  
So when the Nazis find the whole place dark  
They'll think god's left the museum for good.

I can make you scared, if that's what I do  
If you're prepared, and if I have to  
If I make you scared and you pay me to  
that's the deal  
now here's what I can do for you

Now there's a focus group  
that can prove  
this is all nothing but cold calculation

Tests have shown  
that suspicious are hostile  
Their lives need not be shortened  
truth be told  
they can live a long, long while  
Tickled to death by their importance

If you can make me scared,  
if that's what you do  
If I'm unclear can I get out of this thing with me and you  
If you feel scared, and a bit confused  
I gotta say  
this sounds a little beyond anything I'm used to.

Now there's a precious few  
that can prove that at the root  
This is all nothing but cold calculation

Clearly entranced,  
you're heading back now  
Defanged destroyer limps into the bay  
Down at the beach  
it's attracting quite a crowd  
As kids wade through the blood out to it to play

OK you made me scared, you did what you set out to do  
I'm not prepared, you really had me going there for a minute or two  
He said, you made me scared too,  
I wasn't sure I was getting through  
I gotta go,  
it's been a pleasure doing business with you.
