

# The Trews, When You Leave

I lost all faith in reason  
When no reason took a love  
from me  
So I'll ask you my friend if the  
stories were pretend  
You say "I love you and I always  
will"  
You invented a brand new plan  
for the seasons  
How to turn those leaves of fall  
green  
But death you know it comes  
and goes, ain't a friend or a foe  
just as long as you know  
I love you and I always will  
Chorus:  
But when you leave, I lose control  
And I hate to have to even lose  
control  
When you leave I lose control  
And I'd hate to have to leave  
and lose control  
It's alright Ma  
Christmas eve in the back  
of a church with a demon  
He turns and says to me  
"All is well you never fell, don't  
kiss and till I swer to hell  
I love you and I always will"  
Chorus  
In a thousand years from now  
when they find Jesus  
In a monument of Elvis Presley  
I'll ask in the end if the stories  
were pretend you say  
"I love you and I always will"  
Chorus x2
