

The Tubes, No Way Out

(Spooner/Steen/Prince/Welnick/Cotten/Anderson/Waybill/Styles)

There is no way out
I am stuck here behind the window
Tangled in the wires and burned by electricity
And there's no place left to go for me
And there's no way out for me
No way out, no way out for me
I try to get to my feet
Feels like I'm glued to my seat
I try to crawl through the door
Feels like I'm nailed to the floor
No way out for me
No way out, there is no way out for me
Stranded in the great vast wasteland of my TV
And there's no place left to go for me
And there's no way out for me
Somehow I don't feel the same
I can't remember my name
If there was only a chance
to struggle out of this trance
No way out for me
No way out, there is no way out for me
No way out
I am stuck here behind the window
No way out for me
No way out, there is no way out for me
There is no way out for me
And there's no way out for me
