

# The Twins, Love System

Hey boy in the corner there  
You're keeping people at bay  
The others dance, you sit and stare  
It doesn't really have to stay that way  
Take a chance and free yourself  
Don't get left on the shelf  
Hey girl on the dance floor  
Don't get carried away  
You're looking good, but are you sure  
You look so good by the light of day  
Take a chance and free yourself  
Don't get left on the shelf  
Love system, love system - all have the chance  
Love system, love system - get up and dance  
Love system, love system - everyone's there  
Love system, love system - let down your hair  
Love system, love system...  
Hey mother it can't be true  
You're just not making sense  
Now you're alone it won't help you  
To sit alone on the garden fence  
Take a chance and free yourself  
Don't get left on the shelf  
Love system, love system - all have the chance  
Love system, love system - get up and dance  
Love system, love system - everyone's there  
Love system, love system - let down your hair  
Love system, love system...  
Cause I know that there's a love system  
It's a circus, it's a fate  
If you're unhappy, trust the love system  
Now is never too late  
It's up you to change your way of life  
Take a chance and free yourself  
Don't get left on the shelf  
Love system, love system...
