

The Underdog Project, Saturday Night

We got a party goin on, get your hands up, get your hands up, get your hands up!
We got a party goin on, get your hands up, get your hands up, get your hands up!

Every wakin' minuite
I sit here thinking of you
I can't wait to get in
I'm waiting for the week to be through

Saturday's the only day I wake up thinkin' bout
Cause any other day is just another day no doubt
Cause every time I think about you, thoughts go through my mind
And everybody's working for the weekend

Everything is alright on a Saturday night
And I've got all my fellows with their honey by my side
The DJ spins a record till he hits the morning light
And everything's gonna be OK
Cause it's a Saturday

Ain't thinking about Monday or Tuesday or Wednesday it's alright
Ain't thinking about Thursday or Friday cause tonight's Saturday night

Every wakin' hour
I think about just you all by my side
And I can't wait much longer
Wanna show you how I feel for you tonight

Saturday's the only day I wake up thinkin' bout
Cause any other day is just another day no doubt
Cause every time I think about you, thoughts go through my mind
And everybody's working for the weekend

Everything is alright on a Saturday night
And I've got all my fellows with their honey by my side
