

The Used, It's Hard To Say

The singer finished singing and she's walking out
The singer sheds a tear, her fear of falling out
And it's hard to say how I feel today
For years gone by and I cried

It's hard to say that I was wrong
It's hard to say I miss you
Since you've been gone, it's not the same

My worries weigh the world, how I used to be
And everything, I'm cold, seems a plague in me
And it's hard to say how I feel today
For years gone by and I cried

It's hard to say that I was wrong
It's hard to say I miss you
Since you've been gone, it's not the same
It's hard to say I held my tongue
It's hard to say if only
Since you've been gone, it's not the same

Worse than the fear it's the lie you told a thousand times before
Worse than a fear it's the knife
But it's hard to say how I feel today
For years gone by and I cried

It's hard to say that I was wrong
It's hard to say I miss you
Since you've been gone, it's not the same
It's hard to say I held my tongue
It's hard to say if only
Since you've been gone, I'm not the same
It's hard to say (God, it's hard to say)
Since you've been gone,
I'm not the same
