

The Used, Noise And Kisses

Look in my eyes
I'm jaded now whatever that means
by sharing these things
I rip my heart out
it's worth my time
whatever that means...so

hard to see up
my neck feels stiff until I wake up
the orange I choked
and back to my neck
it's worth my time
whatever that means....so

share with me
cause I need it right now
let me see your insides
or write me off
cause I'd rather starve now
if you won't open up

give it to me
give me all... whatever you want
it's never been me
to want this much from you
I can see
Yeah

share with me
cause I need it right now
let me see your insides
or write me off
cause I'd rather starve now
if you won't open up
you won't open up

it tears me up
it tears me up
it tears me up
it tears me up

look in my eyes
I'm jaded now whatever that means
by sharing these things
I rip my heart out
it's worth my time
whatever that means...so

share with me
cause I need it right now
let me see your insides
or write me off
cause I'd rather starve now
if you won't open up
won't open up

(share with me) yeah it tears me up
(cause I need it right now) tears me up (let me see your insides)
(or write me off) and it tears me up (cause I'd rather starve now)
(if you won't open up won't open up) tears me up
