

# The Used, Yesterday's Feelings

Close my eyes and move to the back of my mind  
Where worries are washed out to sea  
See the changes, people's faces blurred out  
Like the sun spots or raindrops

Now all those feelings, those yesterdays feelings will all be lost in time  
but today I've wasted away for today is on my mind

Left the only worries I had in my hands  
Away from the light in my eyes  
Holding tight and try not to hide how I feel  
'Cause feelings mean nothing now

All those feelings, those yesterdays feelings will all be lost in time  
but today I've wasted away for today is on my mind  
(yeah today is on my mind)

Now I can't care to worry  
I'm feeling so lonely  
Breaking apart all this love in my heart

Close my eyes and move to the back of my mind  
Where feelings mean nothing now

All those feelings, those yesterdays feelings will all be lost in time (all be lost in time)  
But today I've wasted away for today is on my mind  
for today is on my mind  
yeah today is on my mind

Now I can't care to worry  
I'm feeling so lonely  
Breaking apart all this love in my heart
