

The Vaccines, Teenage Icon

Oh, look at me so ordinary no mystery with no great capability but
I could make out as if I had it
But you know god I'm so obvious and I should let it go oh I don't know
Oooh,

I'm no teenage icon
I'm no frankie avalon
I'm nobodys hero
Oooh,

Reserved and shy your average guy
No piercing stare
Just out of shape with messy hair but
I always figured I was somebody unusual
And now I'm guessing that my moment must be late cause I'm here
Oooh,

I'm no teenage icon
I'm no frankie avalon
I'm nobodys hero
Oooh,

I'm not magnetic or mythical I'm suburban and typical
But I got it I got it I'm overrun with it all

Seductive, charming way with words
So effortless not leather clad or dangerous but
I always did it like a real rebel would
I had a photo which on Lennon may have stood
So I'm told
Oooh,

I'm no teenage icon
I'm no frankie avalon
I'm nobodys hero
Oooh,
