

THE VAMPS, I Found a Girl

Let's go move into my apartment
One look at you my heart was stoping
I did whatever she was asking
She said, maybe alter catch you in the elevator
A couple days we got to hanging
Since now she wasn't even taken
Mi made a move
She said baby you're in mistaken
I'm not into bacon

She got that smile and that body is to die for
One of a kind
And that's why it makes me cry

Cause I found a girl
Who's' in love with a girl
She said that she tried but she's not into guys
Why tell me, why?
Did I fall for those eyes
She said I was nice
But she's not into guys
I found a girl

I should've known to walk away then
I should've let it alone
But when she called me on the phone, we'd be hanging again
I know we're probably friends
But now she only talks to me about the moment we met
She says

She got that smile and that body is to die for
One of a kind
And that's why it makes me cry

Cause I found a girl
Who's' in love with a girl
She said that she tried but she's not into guys
Why tell me, why?
Did I fall for those eyes
She said I was nice
But she's not into guys
I found a girl

I found a girl!

I can't believe I met somebody like you
And now I feel like a fool
And that to me is so cruel
I can't believe it I just think like a man
That you just wanted me bad
But you had different plans

Cause I found a girl
Who's' in love with a girl
She said that she tried but she's not into guys
Why tell me, why?
Did I fall for those eyes
She said I was nice
But she's not into guys
I found a girl

Cause I found a girl
Who's' in love with a girl
She said that she tried but she's not into guys

Why tell me, why?
Did I fall for those eyes
She said I was nice
But she's not into guys
I found a girl
