

# THE VAMPS, Wake Up

You've been deep in a coma  
But I stood right here  
When you thought there was no one  
I was still right here  
You were scared, but I told you  
"Open up your eyes  
Never stopped being someone who could love you well"  
Had to show you the hard way  
Only time will tell  
Revelations and heartaches make you realize

That I was always in front of you

So wake up  
Your sleeping heart  
I know sometimes we'll be afraid  
But no more playing safe, my dear  
So wake up  
Your sleeping heart  
And we will dream a dream for us  
That no one else can touch, my dear  
I'm here  
So wake up
