

The Veils, Lavinia

See my love is asleep on the floor
In a pose that's familiar ohh
See my sun will just send you to war
If the battle don't kill ya
I've a change in mind
Calling all the time
But I don't want to live at your side
Though the rose is vermilion
Coz I find it so hard to survive
Without when within you
My sweet Lavinia
My sweet Lavinia
All my children asleep on the floor
And A fire in the winter
I don't know if i've been there before
But the colours familiar
I've her name in mind
Calling all the time
For my sweet Lavinia....
My sweet Lavinia
My sweet Lavinia
My sweeeeet.....
