

# The Velvet Underground, I Can't Stand It

Before being a man  
Livin' in a garbage pail  
My landlady call me up  
She tried to hit me with a mop

I can't stand it anymore more  
I can't stand it anymore more  
I can't stand it anymore more  
But if Shelly she would just come back  
It'll be alright  
But if Shelly she would just come back  
It'll be alright

I live with thirteen dead cats  
A purple who hear spats  
They're all livin in a hall  
And I can't stand it anymore

I can't stand it anymore more  
I can't stand it anymore more  
I can't stand it anymore more  
But if Shelly she would just come back  
It'll be alright  
But if Shelly she would just come back  
It'll be alright

Before being a man  
Livin' in a garbage pail  
My landlady call me up  
She tried to hit me with a mop

I can't stand it anymore more  
I can't stand it anymore more  
I can't stand it anymore more  
But if Shelly she would just come back  
It'll be alright  
But if Shelly she would just come back  
It'll be alright  
Be alright, be alright...
