Satellite of love, satellite of

Satellite's gone up to the sky  
And it's going to drive me out of my mind

Woh, take it for a little while  
No, I can watch it on tv, yeah

Satellite of love, satellite of love  
Satellite of love, satellite of

I've been told, baby, you've been bold  
To winkin', blinkin' and nod  
Monday, tuesday, wednesday and thursday  
To winkin', blinkin' and nod

Satellite of love, satellite of love  
Satellite of love, satellite of

Satellite of love  
Satellite of love, it's just a little bit of  
A satellite of love
