

The Veronicas, A Teardrop Hitting The Ground

Look out brother
She's my sister
Ain't stopped crying
Since you kissed her

Turn around (turn around)
Turn around (turn around)
And you better keep on going
Got you down (got you down)
Got you down (got you down)
But it's been a real pleasure knowing you

Like a teardrop hitting the ground
I don't wanna see you around
Hit the trail baby don't make a sound
You're just a teardrop hitting the ground

Slip your jeans on
Comb your hair back
Got your ticket
In my handbag

Turn around (turn around)
Turn around (turn around)
And you better keep on going
Got you down (got you down)
Got you down (got you down)
But it's been a real pleasure knowing you

Like a teardrop hitting the ground
I don't wanna see you around
Hit the trail baby don't make a sound
You're just a teardrop hitting the ground
A teardrop hitting the ground

Pack up your cute face
In a suitcase
Better move faster
Than a car chase, baby..

Like a teardrop hitting the ground
I don't wanna see you around
Hit the trail baby don't make a sound
You're just a teardrop hitting the ground
Like a teardrop hitting the ground
I don't wanna see you around
You can scream but it won't make a sound
You're just a teardrop hitting the ground
Just a teardrop hitting the ground
Just a teardrop hitting the ground
