

The Veronicas, Biting My Tongue

I've been there, biting my tongue
Trying to hold on to what i am feeling
Cause i kno wthat i am safe in my head
You got my heart beating so loud
Wanna scream out
My lips are silent
I am sick of fighting it

I feel the rushing up to the back of my head aching high
I can;t get enough of the way
That you're looking at me with those eyes

I real wanna say this
I don;t wanna lose thos
Thing that we've got
I am just telling you how i feel
Cause if you walk away and i don't get to say it
I din't know what would I
What would I /2x
I do
I can't live without you

What would, What would
I do
I can't live without you
What would, What would
I do
I can't live without you
