

# The Veronicas, Double Trouble (Samey Samey)

We look the same, yeah, we look the same  
We're twins so we look the same, oh yeah  
Freaky twins gonna freak you out  
Tell me this doesn't freak you out, oh yeah  
We wear our school uniforms all week  
Cause even know we left school years ago  
We both can't pronounce our surname  
It's Ori-glili-lili-dili-a-s-o  
We don't even know each other  
That's why we wear name tags  
Did you even know twins speak their own language  
Gotta look the same, gotta look the same  
Gotta stand together and almost pash but not  
Samey samey samey samey same same  
We don't even know each other  
That's why we wear name tags  
Can't tell one from the other  
Just ask our stund double  
We are double trouble  
Do not burst our bubble  
See in double  
I don't know which room to sleep in  
Samey samey samey samey same same  
Does anybody know we're twins?
