

The Veronicas, Faded

(Faded, faded
So far away as I disappear in the dark)

You never take, take the time to really look
Look at the one, the one I really am
You try to fit, to fit me in a perfect box
You let me slip between the cracks

Now I'm faded, into someone else
Baby someone I don't wanna be
Yeah I'm faded my true colors' gone
Like a picture nobody sees

I bet you don't, don't even know my favorite song
You tell me how, how I should wear my hair
You wanna change everything I ever was
Wana erase me 'til I'm not there

Now I'm faded, into someone else
Baby someone I don't wanna be
Yeah I'm faded, my true colors' gone
Like a picture nobody sees
Now I'm faded, like I never was
'Til I don't even know myself
Yeah I'm faded, into what you want
But I'm not taking it too well

I don't wanna be you're little picture perfect pretty girl, who's got nothing to say
And I don't wanna wait around for you to run my whole life down and let you watch me fade away

You try to fit, to fit me in your perfect box
You let me slip between the cracks

Now I'm faded, into someone else
Baby someone I don't wanna be
Yeah, I'm faded, my true colors' gone
Like a picture nobody sees
Now I'm faded, like I never was
'Til I don't even know myself
Yeah I'm faded, into what you want
But I'm not taking it too well

(Faded, faded
I'm slipping away as I disappear in the dark
Yeah I'm faded, faded
I'm so far away from who I was at the start
Yeah I'm faded, faded
I'm slipping away as I disappear in the dark
Yeah I'm faded, faded
I'm so far away from who I was at the start)
