

The Veronicas, I'm So Happy

Guitar in the corner your jeans and your socks in a heap
Tequila and salt shakers lots on the blankets where you sleep
You come to escape the city life screams
I'm so happy, happy here with you
Are you happy, say you're happy too
All I need I found in you
I'm so happy, I'm so happy
I'm here with you
The smile on your face is a thought I can't erase from my mind
In this complicated world a girl never knows what she'll find
I don't wanna leave when I'm in your arms
I'm so happy, happy here with you
Are you happy, say you're happy too
All I need I found in you
I'm so happy, I'm so happy
I'm here with you
I'm here with you
I'm with you
Oooooohhhh
Oooooohhhh
Oooooohhhh
I'm so happy, happy here with you
Are you happy, say you're happy too
All I need I found in you
I'm so happy, I'm here with you
Lets get happy, lets get happy
Lets get happy, lets get happy
All I need I found in you
I'm so happy
I'm so happy
