

# The Veronicas, Revenge Is Sweeter (Than You Ever Were)

I saw it in the news  
You told me they were wrong  
And I stood up for you  
'Cause I believed you were the one

You had all the chances in the world  
To let me know the truth  
What the hell's wrong with you?

Are you even listening when I talk to you?  
Do you even care what I'm going through?  
Your eyes stare and they're staring right through me  
You're right there but it's like you never knew me

Do you even know how much it hurt,  
That you gave up on me to be with her?  
Revenge is sweeter than you ever were

I'm so mad at you right now  
I can't even find the words  
And you're on the way down  
I can't wait to see you burn  
You try to make me hate that girl  
When I should be hating you  
What the hell's wrong with you?

Are you even listening when I talk to you?  
Do you even care what I'm going through?  
Your eyes stare and they're staring right through me  
You're right there but it's like you never knew me

Do you even know how much it hurt,  
That you gave up on me to be with her?  
Revenge is sweeter than you ever were  
(than you ever were)  
Revenge is sweeter than you ever were

Nothing can save you now that it's over  
I guess that you'll find out when you're no one  
Don't say you're sorry now 'cause I just don't care

Nothing can save you now, nothing  
Nothing can save you now, nothing

Are you even listening when I talk to you?  
Do you even care what I'm going through?  
Your eyes stare and they're staring right through me  
You're right there but it's like you never knew me

Do you even know how much it hurt,  
That you gave up on me to be with her?  
Revenge is sweeter than you ever were  
(than you ever were)  
Revenge is sweeter than you ever were
