

The Veronicas, Take Me On The Floor

The lights are out, and I barely know you
We're going up, and the place is slowing down
I knew you'd come around
You captivate me, so you've almost got me
I was lonely, now you make me feel alive
will you be mine tonight?

Take me on the floor
I can't take it anymore
I want you, I want you,
I want you to show me love
Just take me on the floor
I can give you more
You kill me, kill me,
Kill me with your touch

My heart is racing as we're moving closer
You take me higher with every breath I take
Would it be wrong to stay?
One look at you, and I know what you're thinking
Time's a bitch and my heart is sinking down
It's turned me inside out

Take me on the floor
I can't take it anymore
I want you, I want you,
I want you to show me love
Just take me on the floor
I can give you more
You kill me, kill me,
Kill me with your touch

I wanna kiss a girl
I wanna kiss a girl
I wanna kiss a boy
I wanna...
I wanna kiss a girl
I wanna kiss a girl
I wanna kiss a boy
I wanna kiss...

Take me on the floor
I can't take it anymore
I want you, I want you,
I want you to show me love
Just take me on the floor
I can give you more
You kill me, kill me,
Kill me with your touch

Take me on the floor
I can't take it anymore
I want you, I want you,
I want you to show me love
Just take me on the floor
I can give you more
You kill me, kill me,
Kill me, please don't stop
