

The Verve, Chic Dub

You knew your body was strong
You didn't give me your love
Give me your love

When you wasn't sure
Did it come?
When it returns
When it returns

Ah - big cheer to the beat
Ah - big cheer to the beat

When you return
Baby give me some love
When you return
When you return

Ooh, Ah-ah
Ooh, Ah-ah

Stood out the same
Couldn't see no man
I could see the stars
I could see the stars

I said now, give me your love
Give me your love
Give me your love

You knew your body was strong
You didn't give me your love
Give me your love

When you wasn't sure
Did it come?
When it returns
When it returns

Ah, ooh-ooh
Ah-ah, ooh
Ah-ah
