

# The Verve, Drugs don't work

All this talk of getting old  
It's getting me down my love  
Like a cat in a bag, waiting to drown  
This time I'm comin' down  
And I hope you're thinking of me  
As you lay down on your side  
Now the drugs don't work  
They just make you worse  
But I know I'll see your face again  
Now the drugs don't work  
They just make you worse  
But I know I'll see your face again  
But I know I'm on a losing streak  
'Cause I passed down my old street  
And if you wanna show, then just let me know  
And I'll sing in your ear again  
Now the drugs don't work  
They just make you worse  
But I know I'll see your face again  
'Cause baby, ooh, if heaven calls, I'm coming, too  
Just like you said, you leave my life, I'm better off dead  
All this talk of getting old  
It's getting me down my love  
Like a cat in a bag, waiting to drown  
This time I'm comin' down  
Now the drugs don't work  
They just make you worse  
But I know I'll see your face again  
'Cause baby, ooh, if heaven calls, I'm coming, too  
Just like you said, you leave my life, I'm better off dead  
But if you wanna show, just let me know  
And I'll sing in your ear again  
Now the drugs don't work  
They just make you worse  
But I know I'll see your face again  
Yeah, I know I'll see your face again  
Yeah, I know I'll see your face again  
Yeah, I know I'll see your face again  
Yeah, I know I'll see your face again  
I'm never going down, I'm never coming down  
No more, no more, no more, no more, no more  
I'm never coming down, I'm never going down  
No more, no more, no more, no more, no more
