

# The Verve Pipe, Gotta Move On

Love is not strong  
Love is not stable  
I tried to hold it  
But I wasn't able  
I never thought that I'd be  
Saying this to you  
But what else could I do?  
Love leads to loss  
And words condescending  
Love is the pathway  
To unhappy endings  
And if I keep my chin up  
I still see clouds that look like you  
So look down is what I do  
You know it's all right  
If you cry a little  
If something inside you  
Has died a little  
You don't have to hide  
But you gotta move on  
You gotta move on  
Love leads to tears  
Tears lead to sadness  
Sadness to memories  
Memories to madness  
I never thought of all  
These things that love could be  
But look what it did to me  
You know it's all right  
If you cry a little  
If something inside you  
Has died a little  
You don't have to hide  
But you gotta move on  
You gotta move on  
You know it's all right  
If you cry a little  
If something inside you  
Has died a little  
You don't have to hide  
But you gotta move on  
You gotta move on  
You know it's all right  
If you cry a little  
If something inside you  
Has died a little  
You don't have to hide  
But you gotta move on  
You gotta move on
