

# The Vibrators, No Getting Over You

I've been up and I've been down.  
Been all over this dirty town.  
But I guess there's no gettin' over you.

Tried drinkin' in all your bars,  
Tried lookin' up at all the stars.  
But I guess there's no gettin' over you.

"Cos you knew all love's games.  
An' I'm so broken now and in pain.  
I guess I don't know,  
How to put the pieces together again.

Ooh I'm losin' you,  
My whole world's turned blue.  
I guess there's no gettin' over you.  
(Oh no)

Girls told me not to throw my heart away,  
You know it's too late today.  
I guess there's no gettin' over you.
