

The Vibrators, Troops Of Tomorrow

We're troops of tomorrow,
We're hangin' round today.
We're playin' tough music,
'Cos it's hard times honey.

We need a new solution,
We want it quick.
We're gettin' frustrated,
It's makin' us sick.

We ain't got a bright future,
We bought it on the never-never.
Don't wanna be city prisoners,
We ain't gonna live forever.

We gotta stop that dreamin',
We gotta pick up that gun.
I said we're troops of tomorrow,
We got a new vision.

We're troops of tomorrow <i>(x4)
