

The Vibrators, Warzone

Feels like 1945,
Put your hands above your head if you wanna stay alive.
You think carrying guns is fun
I got the final solution, got the neutron bomb.

Well you broken down low-life take your hands off me,
Or I'll give you the brightest sunset that your ever gonna see.

Honey have I got a surprise for you,
Stick my bayonet right through you.

Well it's a warzone baby, ooh yeah
Well it's a warzone baby, ain't you glad it's for real.
It's a warzone baby, ooh yeah,
Well it's a warzone baby, movin' in for the kill.

I'm like an atomic reactor honey that's all,
But you'd better watch out 'cos I'm going critical.

Well it's a warzone baby, ooh yeah,
It's a warzone baby, alright.
Well it's a warzone baby, I know what I'm talking about.
Well it's a warzone baby, ooh yeah.
Well it's a warzone baby, aaagh!
Well it's a warzone baby, c'mon c'mon.
Well it's a warzone baby, ooh yeah.
Well it's a warzone baby.
