## The Vines, Highly Evolved

I'm feelin happy So highly evolved My times a riddle that'll never be solved Dreamin for somethin Reachin for somethin Just waitin for the sun to carry me in

If you feel low You can buy love From a payphone I don't feel low

My brother Bill He work for the market Life is an arrow now and he is the target Dreamin for somethin Reachin for somethin Just waitin for the sun to carry me in

If you feel low You can buy blow From a payphone I don't feel low

Highly evolved

I don't feel low Highly evolved
