

# The Vines, Winning Days

The winning days are gone  
Because I know just where I'm seeing  
Was given eyes I know  
I can hear  
Cause underneath there's gold  
I need to get around to find it  
And when I want to go  
I can dream  
I've been trying  
All my time

I'm just seeing it rise  
Cause it could be the land that's over me  
So I just wanna let it breathe

The winning days are gone  
Because I know just where I'm seeing  
Was given eyes I know  
I can hear

Cause underneath there's gold  
I need to get around to find it  
And when I want to go  
I can dream  
I've been trying  
All my time

I'm just seeing it rise  
Cause it could be the land that's over me  
So I just wanna let it breathe for now

Get up and go outside  
It can help your mind too  
Get up don't hide away

Cause I know where there's gold  
I didn't know when I was flying  
I'm sinking like a stone  
I can dream  
I've been trying...
