

# The Vogues, Turn Around, Look At Me

There is someone walking behind you,  
Turn around, look at me  
There is someone watching your footsteps,  
Turn around, look at me  
There is someone who really needs you  
Here is my heart in my hand  
Turn around (turn around), look at me (look at me)  
Understand, understand  
That there's someone  
Who'll stand beside you  
Turn around, look at me  
And there's someone  
to love and guide you  
Turn around, look at me  
O I've waited , but Ill wait forever  
For you to come to me  
Look at someone (Look at someone)  
Who really loves you (yea loves you)  
Turn around, look at me  
Turn around, look at me
