

# The Von Bondies, Been Swank

I've been set up like the innocent  
I've been swank and I'm lovin' it  
I've been alone like a little kid  
I've been swank and I'm lovin' it

I've been swank and lovin' it

Oh no, it's a sin, the jury's in  
Doesn't look like I'll be doin' it again and again  
'Cause I've been swank  
Been swank and lovin' it

I've been swank and lovin' it.

The nights are cold, the nights are long  
I'm alone, I'm alone alone  
I've been set up like the innocent.  
I've been swank and lovin' it

I've been swank and lovin' it  
I've been swank...and lovin' it
