

The W's, The Devil Is Bad

she was walkin' in the garden one day
when a snake slithered 'round her feet (slithered 'round her feet)
"Follow me right over to this tree
and I'll give you something good to eat"
"I don't know; are you sure?
I don't think it is right" (it is right)
"Doesn't matter, just open your mouth
And take a tasty bite"

she said to to him "I think it's a sin,
but boy does it look right."
he said to her "Just take my word
and i promise that you'll see the light"

why don't you just get outa here
'cause i don't wanna see you 'round here no more
why don't you just get outa here
'cause this is now and that was before

'cause you are the devil and the devil is bad (hey)
you are the devil and the devil is bad (hey)
you are the devil and the devil is bad (hey)
you are the devil and you are bad

Tempted Him in the desert one day
"Are you the Son of God?" (the Son of God?)
"Turn these stones into wholesome bread and make your hunger stop."
Even though His hunger had grown real strong
He turned and simply replied (and simply replied),
"Man does not live on bread alone but on the Word of God"

he turned to Him, said "Worship me
and the kingdoms of the world are yours."
"Away from me with your evil ways!
'Cause the Word says only God"

why don't you just get outa here
'cause i don't wanna see you 'round here no more
why don't you just get outa here
'cause this is now and that was before

'cause you are the devil and the devil is bad (hey)
