

The Wallflowers, Closer To You

How soft a whisper can get
When youre walking through a crowded space
I hear every word being said
And I remember that everyday
I get a little bit closer to you

How long an hour can take
When youre starting into open space
When I feel Im slipping further away
I remember that everyday
I get a little bit closer to you

These are the days
That I wont get back
I wont hear you cry
Or hear you laugh
And when its quite
And I dont hear a thing
I can always hear you breathe

You know theres nowhere else
Ive wanted to be
Than be there when you need me
Im sorry too
But dont give up on me
And just remember that when you get asleep
I got a little bit closer to you
