

# The Wallflowers, Empire In My Mind

There is trouble in my mind  
There is dark  
There is dark and there is light  
Lay your hands over my eyes  
As I look deep  
Trough valleys deep and wide  
Across the borderline  
For the empire in my mind

You are the reason I don't sleep  
You are the light  
That's breaking through the leaves  
And you know how hard I tried  
To believe  
I have something good inside  
Over barricades I climb  
For the empire in my mind

I have known love somewhere in time  
I've been lifted up  
I look honor in the eyes  
I have no reason, I have no rhyme  
I cannot deny  
There's a darkness that's inside  
I'm guilty by design  
And now I realize  
That temptations made me blind  
To the empire in my mind

There is no order  
And there is chaos  
And there is crime  
There is no one home tonight  
in the empire of my mind

There is no distance that I don't see  
I do have a will  
No limit to my reach  
I wish I would  
I wish I might  
To see a line tonight  
Separating wrong from right  
Some are only born to try  
And maybe that's the reason why  
I'm afraid someday I 'll find  
There is no empire in my mind
