

# The Wallflowers, Three Ways

Theres three ways out of every box  
Fall out the bottom  
Or you crawl out the top  
Theres three ways  
Out of every, every box  
But if you cant find your way out  
Then you just burn it  
To the ground  
Then youll disappear  
Like smoke  
Into the clouds

Theres three ways off a merry-go-round  
You either jump  
Or you let it slow down  
Theres three ways  
Off a merry-go, merry-go round  
But if you cant put your foot down  
Then you just burn it  
To the ground  
Then you walk away  
Real slow  
Back into the crowd

Theres always somebody there for a laugh  
Then youre the only one  
Thats left  
Now thats what you get  
Left behind in the wreck

Theres three ways off a burning bridge  
You pray for rain  
Or you learn how to swim  
Theres three ways off of every  
Burning bridge  
But if you cant find strength  
And you quit  
Then you can just burn up  
And sink  
Then youll drift away  
Real slow  
Down into the ground
