

The Wallflowers, Three Ways

Theres three ways out of every box
Fall out the bottom
Or you crawl out the top
Theres three ways
Out of every, every box
But if you cant find your way out
Then you just burn it
To the ground
Then youll disappear
Like smoke
Into the clouds

Theres three ways off a merry-go-round
You either jump
Or you let it slow down
Theres three ways
Off a merry-go, merry-go round
But if you cant put your foot down
Then you just burn it
To the ground
Then you walk away
Real slow
Back into the crowd

Theres always somebody there for a laugh
Then youre the only one
Thats left
Now thats what you get
Left behind in the wreck

Theres three ways off a burning bridge
You pray for rain
Or you learn how to swim
Theres three ways off of every
Burning bridge
But if you cant find strength
And you quit
Then you can just burn up
And sink
Then youll drift away
Real slow
Down into the ground
