

# The Wanted, I Found You

She wants me to come over  
I can tell her eyes don't lie  
She's calling me in the dark  
She moves us around the room where the lights turn like the sky  
Confidence like a rock star

I wanna put my hands on her hands  
Feel the heat from her skin  
Get reckless in the starlight  
I'm moving to the beat of her heart  
I was so lost until tonight, tonight

I found you, in the darkest hour  
I found you, in a pouring rain  
I found you, when I was on my knees  
And your light pulled me back again  
Found you in a river of pure emotion  
I found you, my only truth  
I found you, with the music playing

I was lost til I found you, you, you  
Til I found you, you, you

The night is getting older  
And I can't come off this high  
I don't want this here to end  
I know she feels the same  
Cause I can see it in her eyes  
She says can we start again

I wanna put my hands on her hands  
Feel the heat from her skin  
Get reckless in the starlight  
She's moving to the beat of my heart  
We were so lost until tonight, tonight

I found you, in the darkest hour  
I found you, in a pouring rain  
I found you, when I was on my knees  
And your light pulled me back again  
Found you in a river of pure emotion  
I found you, my only truth  
I found you, with the music playing

I was lost til I found you, you, you  
Til I found you, you, you

I said, people  
We're all looking for love tonight  
But sometimes we can't see it  
We run blinded by light  
And we all get low, all get low  
Searching for that piece of mind  
Just when I've given up  
Looking for some kind inside

That's when I found you, you, you  
I found you, you, you  
I found you, you, you  
I found you, you, you

I found you, in the darkest hour  
I found you, in a pouring rain  
I found you, when I was on my knees

And your light pulled me back again  
Found you in a river of pure emotion  
I found you, my only truth  
I found you, with the music playing

I was lost til I found you
