

# The Wanted, Warzone

(Nathan)

I can't believe I had to see  
The girl of my dreams cheating on me  
The pain you caused has left me dead inside  
I'm gonna make sure you regret that night

I feel you close, I feel you breathe  
And now it's like you're here  
You're haunting me  
You're out of line  
You're out of sight  
You're the reason that we started this fight

(Max)

But I know I just gotta let it go  
I should'a know  
I gotta learn to say goodbye now  
I throw my armour down  
And leave the battleground  
For the final time now  
I know I'm running from a warzone

(Jay)

In our house, I hate that place  
Everywhere I walk I see your face  
Try to erase a memory with a flame  
And hope I never see you again  
Standing here in this burning room  
You know the end could never come so soon

(Nathan)

It's clear to me the lies you use  
The ones that kill me ain't hurting you  
So ....

(All)

....I know I just gotta let it go  
I shoulda' know  
I gotta learn to say goodbye now  
I throw my armour down  
And leave the battleground  
For the final time now  
I know I'm running from a warzone

(Max)

I'm running from a warzone  
I can't do this anymore  
I'm running from a warzone  
What are we fighting for?  
I'm running from a warzone

(All)

I know I just gotta let it go  
I shoulda' know  
I gotta learn to say goodbye now  
I throw my armour down  
And leave the battleground  
For the final time now  
I know I'm running from a warzone
