

# The Weeknd and Post Malone, One Right Now

You say you love me but I don't care  
That I broke my hand on the same  
Wall, that you told me that he fucked you on  
You think it's so easy  
Fuckin' with my feelings  
I got one comin' over and one right now  
One right now

I got one coming all  
The way you want right now

Said you wanna have my babies  
I fucked you so good, you should pay me  
Don't call me baby  
When you did me so wrong  
But I got over what you did already  
Body for a body I'm so petty  
How many of your friends fit in my Rolls  
Bought you a new face  
You should call me Dad baby  
Hermes  
But you dropped the bag baby  
Truth is  
Maybe one's just not enough

You say you love me but I don't care  
That I broke my hand on the same  
Wall, that you told me that he fucked you on  
You think it's so easy  
Fuckin' with my feelings  
I got one comin' over and one right now  
One right now

I got one coming all  
The way you want right now  
I got one coming all  
The way you want right now

You're a stain in my legacy  
We can't be friends  
Can't be family  
You probably fuck all my enemies  
I can't let you be next to me  
You belong to the world now  
So, just leave me alone now  
We're not in touchg no more

You say you love me but I don't care  
That I broke my hand on the same  
Wall, that you told me that he fucked you on  
You think it's so easy  
Fuckin' with my feelings  
I got one comin' over and one right now  
One right now

I got one coming all  
The way you want right now  
I got one coming all  
The way you want right now
