

# The Weeknd, Dancing In The Flames

Traffic dies while we are racing home  
Melted lights cover the open road  
I hope we make it, cause I've been chasing another odyssey  
Oh  
I can't wait to see your face crash when we're switching lanes  
My love's beyond the pain but if i miss the brake, we're dancing in the flames  
Its indescribable  
Ooooooh  
The world can't heal they say on the radio  
So grab the wheel, want you to be in control  
We're dodgin' headlights  
And you say hold tight  
Another odyssey, ohhhh  
I can't wait to see your face crash when we're switching lanes  
My love's beyond the pain but if i miss the brake we're dancing in the flames  
Its indescribable  
Everything's faded  
We barely made it  
The fire's raging  
But you're still beautiful  
And it's amazing  
Cause i can taste it  
Our final odyssey  
Ooooooh  
I can't wait to see your face crash when we're switching lanes  
My love's beyond the pain but if i miss the brake we're dancing in the flames  
So just have faith  
We'll never be the same  
It's indescribable  
indescribable  
indescribable
