

# The Weeknd, Don't Break My Heart

(I'm paralyzed)  
(Let's go)  
I see you drowning in the purple lights  
Diamonds shining bright  
I see every ice on you  
You snatch my soul, I'm crucified  
I feel paralyzed  
I'm so mesmerized by you (By you)  
But now I know you're right for me  
Ecstasy  
I keep coming back for more  
I think that you would die for me  
Destiny  
And this time, I know for sure

Just don't break my heart (Don't break my heart)  
Don't let me down, please  
Don't you break my heart (Don't break my heart)  
I don't know if I can take it anymore

Take it anymore, take it anymore  
I can't take another heartbreak or I'll end it all  
And the girl I used to love  
We broke up in the club  
And I almost died in the discotheque  
And now I know she wasn't right for me  
Enemy  
I kept coming back for more  
I'd rather you would die for me  
Destiny  
And this time I know for sure  
Just don't break my heart (Don't break my heart)  
Don't let me down, please  
Don't you break my heart (Don't break my heart)  
I don't know if I can take it anymore  
Don't break my heart (Don't you, don't you)  
I'm falling apart already  
Don't you break my heart (Don't you, don't you)  
I don't know if I can take it anymore

I believe the liquor's talking  
I just need the room to stop  
And I could be the one you want  
Just as long as you don't break my heart  
And I realize  
When I kissed your neck  
That the room is hot  
I can taste your sweat  
It's just you and I  
In the discotheque  
But don't you worry

Just don't break my heart (Don't break my heart)  
Don't let me down, please  
Don't you break my heart (Don't break my heart)  
I don't know if I can take it anymore  
Don't break my heart (Don't you, don't you)  
I'm falling apart already  
Don't you break my heart (Don't you, don't you)  
I don't know if I can take it anymore
