

# The Weeknd, Family (feat. Suzanna Son) - from "

Arms like branches of a poplar tree  
Eyes like the ocean or the great big blue sea  
Love just like mother's with a price, it's not free  
Ooh, ooh-oo-hoo  
Voice like my father's, when he screams the house shakes  
Dreams like my brother's, oh, we pray for his sake  
Hopes just like my mother's, they'll last 'til her wake  
Ooh-oo-hoo, ooh-oo-hoo

That's my family  
Oh, we don't like each other very much  
Oh, I'm okay with that  
But it breaks my mother's heart  
Ah-ah, ooh-oo-hoo, ah-oo-hoo  
That's my family

When I'm alone, that's when I feel the safest  
Don't like being touched  
Please, don't give me a hug

That's my family (That's my family)  
You're my family (You're my family)  
I found my family (I found my family)  
This is my family (This is my family)

That's my family  
Oh-oh-oh-oh, oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh, oh, oh, oh  
Oh-oh-oh-oh, oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh, oh, oh, oh
