

The Weeknd, I Can't Fucking Sing

Bota na boca, bota na cara, bota onde quiser
Bota na boca, bota na cara, bota onde quiser

O novinho me olhou e quis comer minha pepequinha
Hoje eu vou dar pro novinho, fode, fode a larissinha
O novinho me olhou e quis comer minha pepequinha
Hoje eu vou dar pro novinho, fode, fode a larissinha

Every time I try to run, you put your curse all over me
I surrender at your feet, baby, put it all on me
Every time I try to pray you away, you got me on my knees
I surrender at your feet, baby, put it all on me

I love it when you turn me on
I love it when you turn it on
I love it when you turn me on
So come back in and turn it on

Bota na boca, bota na cara, bota onde quiser (Turn me on)
(Turn me on) O novinho me olhou e quis comer minha pepequinha
(Turn me on) Hoje eu vou dar pro novinho, fode, fode a larissinha
(Turn me on) O novinho me olhou e quis comer minha pepequinha
Hoje eu vou dar pro novinho, fode, fode a larissinha (Turn me on)

Bota na boca, bota na cara
Bota na boca, bota na cara
Bota na boca, bota na cara
Bota na boca, bota na cara
Bota na boca, bota na cara, bota onde quiser

Baby, ride me 'til the darkness of the night
Kill me softly like you want me euthanized, oh yeah

Hot like risin' sun, burnin' everything she touch
She don't even want your money, can buy you and someone else
She's addicted to the rush, I can never get enough
She desensitized to money, need to pay with something else

Baby, you turn me on
Baby, you turn me on
Baby, you turn me on
Girl, you turn me on

Hit it from the back, she louder than two sold-out nights
I think she fell in love, she said she trust me with her life, oh

Hot like risin' sun, burnin' everything she touch
She don't even want your money, can buy you and someone else
She's addicted to the rush, I could never get enough (Bota na boca, bota na cara, bota na boca, bota na boca)
She desensitized to money, need to pay with something else

Baby, turn me on (I love it when you turn me on)
I love it when you turn me on (I love it when you turn me on)
See how you turn me on? (I love it when you turn me on)
I love it when you turn me on, oh (So now I gotta turn it on)

Oh, baby
Oh, oh
Oh, oh
Oh, oh
Oh, oh, oh

Take it easy, easy on me (Bota na boca, bota na cara, bota onde quiser)
Take it easy, easy on me, oh (Bota na boca, bota na cara, bota onde quiser)
Take it easy, easy on me

Oh, oh, oh
