

# The Weeknd, Often

I usually love sleeping all alone  
This time around bring your friend with you  
But we ain't really going to sleep at all  
You ain't gonna catch me with them sneak pictures  
In my city I'm a young god  
That pussy kill be so vicious  
My god white, he in my pocket  
Get me redder than the devil 'til I go nauseous

Ask me if I do this every day, I said: "Often"  
Ask how many times she rode the wave, "Not so often"  
Bitches down to do it either way, often  
Baby I can make that pussy rain, often  
Often, often, girl I do this often  
Make that pussy poppin', do it how I want it  
Often, often, girl I do this often  
Make that pussy poppin', do it how I want it  
Often

Infatuated by the fame status  
She wanna ride inside the G-Class Grain, matted  
I come around, she leave that nigga like he ain't matter  
That girl been drinkin' all day, need to change bladder  
She's just happy that the crew's back in town  
She's 'bout to go downtown for a whole hour  
If I had her, you can have her, man it don't matter  
I'm never sour, I'm just smokin' somethin' much louder

Ask me if I do this every day, I said: "Often"  
Ask how many times she rode the wave, "Not so often"  
Bitches down to do it either way, often  
Baby I can make that pussy rain, often  
Often, often, girl I do this often  
Make that pussy poppin', do it how I want it  
Often, often, girl I do this often  
Make that pussy poppin', do it how I want it  
Often

The sun's risin' up  
The night's almost up  
The night's almost done  
But I see your eyes  
You wanna go again  
Girl, I'll go again  
Girl, I'll go again

Ask me if I do this every day, I said: "Often"  
Ask how many times she rode the wave, "Not so often"  
Bitches down to do it either way, often  
Baby I can make that pussy rain, often  
Often, often, girl I do this often  
Make that pussy poppin', do it how I want it  
Often, often, girl I do this often
