

The Weeknd, Starry Eyes

I only met you in my dreams before
When I was young and alone in the world
You were there when I needed someone
To call my girl
And now you're my reality
And I wanna feel you close
But you're defeated, baby
Broken, hurtin', sufferin' from a shattered soul
Oh, a shattered soul, oh

Let me be there
Let me be there for your heart
Let me be there
I can be there 'til you're whole
You weren't touched by a man in so long
'Cause the last time it was way too strong
Let me be there
Let me be there for your heart
Let me love you
Let me love you like you need
And I'll make it
Make it my responsibility
I'll be there every step of the way
I'll get you back on your feet
Let me love you
Let me love you like you need
And you can kick me
Kick me to the curb
It's okay, baby
I promise that I felt worse
Back then, I was starry eyed
And now I'm so cynical
Baby, break me
Kick me to the curb
Oh
