

The Weeknd x Swedish House Mafia, Moth to a flame

Like a Moth to a Flame
I will pull you in
I will pull you back to
What you need initially

It's just once call away
And you will leave him
You're loyal to me
But this time I will let you be

Cause he seems like he's good for you
And he makes you feel like you should
And all your friends say: HE'S THE ONE!
His love for you is true

But does he know you call me when he sleeps?
Or does he know the pictures that you keep?
Or does he know the reason that you cry?
Or tell me,
Does he know where your heart lies?
Where it truly lies?

Yes, You should be with him
I let you go from time
You should stay with him

Cause he seems like he's good for you
And he makes you feel like you should
And all your friends say: HE'S THE ONE!
His love for you is true

But does he know you call me when he sleeps?
Or does he know the pictures that you keep?
Or does he know the reason that you cry?
Or tell me,
Does he know where your heart lies?
Where it truly lies?

Right here with me, baby
Where it truly lies
My baby, where it truly lies
Give me all of it
Where it truly lies
Where it truly lies
Where it truly lies
Where it truly lies
