

# The White Stripes, Little Bird

I got a little bird  
i'm gonna take her home  
put her in a cage  
and disconnect the phone

if you give me a look  
i'm gonna get the book  
i'm gonna preach the word  
i wanna preach to birds  
as i walk the floor  
yeah this i know

when i get you home  
this is how it goes  
i got nothing to lose  
i'll never let you go
