

The White Stripes, Little People

There's a little girl who says 'bink bink bop',
There's a little girl who says 'bink bink bop',
Hello, oh, oh...

There's a little boy with a spider in his hand,
There's a little boy with a spider in his hand,
Hello, oh, oh...

There's a little girl with the red shoes on,
There's a little girl with the red shoes on,
Hello, oh, oh...

There's a little boy with twenty-five cents,
There's a little boy with twenty-five cents,
Hello, oh, oh...

And there's a little girl with a tiger on her bed,
There's a little girl with a tiger on her bed,
Hello, oh, oh...

There's a little boy with nothing on his mind,
There's a little boy with nothing on his mind,
Hello...
