The White Stripes, White Orchid

You got a reaction

You got a reaction didn't, you?

You took a white orchid

You took a white orchid turned it blue

Something better than nothing

Something better than nothing, it's giving up

We all need to do something

Try keep the truth from showing up

How dare you

How old are you now, anyway?

How dare you

How old are you now, anyway?

You're given a flower

But I guess there's just no pleasing you

Your lips tastes sour

But you think that it's just me teasing you

You got a reaction

You got a reaction, didn't you?

You took a white orchid

You took a white orchid turned it blue

Get behind me

Get behind me now, anyway

Get behind me

Get behind me now, anyway

You got a reaction

You got a reaction, didn't you?

You took a white orchid

You took a white orchid turned it blue
